

Restland Cemetery Frequently Asked Questions

Q. How many people can be buried on one grave?

A. One (1) traditional Burial (casket and vault) and up to three (3) cremains can be buried on one grave OR four (4) cremains on one grave. In addition, an infant traditional burial and one adult traditional burial plus two (2) cremains burials are allowed on one grave.

Q. Do I need to have a vault for burial?

A. A vault is required for traditional burials but not for cremains burials.

Q. Does Restland Cemetery provide tents and/or chairs for graveside services?

A. No. Those are provided by either the funeral home or vault company.

Q. Does Restland Cemetery sell monuments or markers for graves?

A. No. You must contact a monument company of your choice. Restland Cemetery does, however, pour the foundations for all monuments and markers which is normally included with the cost of the monument and marker, unless said monument or marker is purchased online, in which case, the purchaser must pay Restland Cemetery for the foundation. All monuments must be approved by Restland Cemetery before installation.

Q. How many graves are on one lot?

A. There are two (2) graves per lot. Restland Cemetery sells by individual graves, not by lots. The cost is per grave.

Q. Are there regulations on what can be placed on graves, such as plants, etc.

A. Yes. There are regulations but basically no trees, large bushes or roses can be planted on or beside a gravesite. Restland Cemetery has the right to remove any and all items if they impede maintenance or encroach on another grave or lot.
