PUBLIC COMMENTS:

Special Guest – Jack Madved, Portage County Health Department specifically was referencing the Section 550.00.C.3.d.3.

Nicholas Coin questioned the new signs of the “Juice Bar” and what were the intentions of that business and the zoning regulations for that spot.

Dick Messner states that it is supposed to be like “Pulp”, and had talked to the young college student and gave him all the documents for starting the business and putting up the signs. It would be a change of use, also a certificate of zoning compliance, which would enter them into the JEDD.
