About Our Organization

The German Family Society was founded in 1955 at St. Bernard's Catholic Church by Danubeswabian (Folk-German), German and Austrian immigrants. In 1973 we moved to our present location (Donau Park) in Brimfield Twp.

We are a non-profit, private, social organization whose charter is to promote our culture and pass down our ethnic heritage and family values to future generations. We are proud of the fact that our entire facility is maintained by members who volunteer their time and energy. We have approximately 12-15 major functions each year. Our best known events are the 2-day "Old European Days & Bierfest" held every year on the last weekend of June, and our 3-day "Oktoberfest", recognized as one of the most original and traditional Oktoberfest in the state.

Our organization has many ways to become involved, including: our Ladies
