

Statement of supporting 5/12/21
Evidence for Brimfield Sup. Zoning.

I Jerry Hawkins have a business that I would like to run at 4663 ST Rt 43 Kent, Oh. 44240 (Brimfield Sup.) this business is in accordance with zoning & the land is also a great place to operate an produce market, there are 2 Business that are involved in this field. that sell landscape supplies, flowers, rock, dirt, etc. My business consists of produce that are in harmony with the area. there are no structures, that are being built, no major changes to the land, nor to the businesses next to this address, also the zoning is set up for this kind of Business. I know the people will enjoy this business. and get a chance to enjoy local fruits & Veggies that are from the area. I have tried and will continue to serve the local community. I hope all enjoy this if permitted.

Jerry Hawkins
